Rules for Used Tire Collection:

1. No tires will be accepted from retailers such as tire dealers, gas stations, commercial companies, etc.
- 2. TIRES WILL BE ACCEPTED ON RIMS.**
3. No large industrial/off road tires will be accepted (tractor, truck & passenger car tires will be accepted.)
4. The site will be controlled so as to prevent nuisance dumping.
5. All participants must complete and sign a Consensual Removal Agreement before their tires are loaded. These agreements will be sent to the E.P.A.
6. Participant's tires will be counted and the number of tires recorded on the Consensual Removal Agreement.
7. The maximum number of tires which an individual may bring is limited is 1,000.
8. For people with more than 1,000 tires—the E.P.A. will pay for the removal of the last 1,000 tires provided the owner first pays for the removal of the excess tires.
- 9. INDIVIDUALS THAT PARTICIPATED IN A PREVIOUS TIRE CLEAN UP EVENT MAY NOT PARTICIPATE AGAIN.** This program is a one time clean up offer for all participants. Each participant is required to complete a Consensual Removal Agreement in which they commit not to accumulate tires on their property in the future. This program is not designed to be an annual outlet for the disposal of waste tires.
- 10. ONLY TIRES FROM ILLINOIS COUNTIES WILL BE ACCEPTED.** No tires from out of state will be received. Vehicles must have Illinois license plates.
